

Guidelines

The Consolidated Arts Program provides non-profit community-based arts organizations with an annual operating grant to support the administration and coordination of a variety of arts programming open to the public in a range of arts disciplines. This includes staging performances/exhibitions of member artists or guest artists and offering arts instruction. This program supports arts skills development, arts presentation, community support for the arts, increased accessibility of arts programs at the community level, and potential development of new audiences.

Note: This operating program is fully subscribed. Submissions from new applicants are not being accepted at this time.

Deadline

Applications **must be received** on or before **June 15**. MAC will start reviewing applications on April 1 and encourages earlier submissions. Late or incomplete applications **will not be accepted**.

Objectives

- Encourage and stimulate the development in the community of new audiences for particular art forms.
- Assist community arts organizations in providing on-going opportunities for Manitobans to develop arts skills at the community level.
- Encourage community support for arts activity.
- Increase accessibility of arts programs at the community level.

Level of Assistance

The maximum grant for the program is \$15,000. Grants awarded are based on a formula using next-to-last fiscal year's net revenue, box office revenues, eligible expenses for visual arts exhibitions and film festivals, and the number of arts-based instructional hours. The maximum grant available to an organization in any one year will not exceed 33% of the organization's total net revenue in its next-to-last fiscal year. Actual grants may be less than the amount requested and are subject to availability of funds.

Eligibility Criteria

Organizations must:

- Be a community-based, non-profit arts organization (Professional arts organizations are not eligible).
- Have a constitution/by-laws, be incorporated, and operate with a duly elected board of directors.
- Allow membership to be open to the public, make programs open and accessible to the public, and have evidence of promotional materials.
- Have provided programming for a minimum of two years.
- Offer programming which consists of a variety of arts activities, including performing arts events, exhibitions, readings, lectures, workshops, and classes.
- Demonstrate a history of successful audience development activity and/or arts skills development activity with clearly defined goals and objectives.
- Demonstrate that the programming for which funding is requested is part of the organization's overall audience development and/or arts skills development strategy.
- Provide evidence of sound management and fiscal accountability. In order to ensure organizational stability, clients are encouraged to develop an operating surplus or reserve appropriate to the size and scope of their operations.

Note: Grants are not awarded for capital expenditures or major equipment purchases.

Assessment and Notification

Funding decisions are based on the grant formula, an assessment of how well the organization reflects the program objectives, and the general merits of the proposal.

Applicants will be notified by email within six weeks of the application deadline. MAC is unable to consider appeals because of the limited funds available and the short turn-around time for disbursing funds. Meeting the general and eligibility criteria does not guarantee funding, nor does failure to receive financial support reflect a negative assessment of an application. It is not the intent of this program to duplicate assistance provided by MAC or other

provincial departments and agencies. Previous funding does not guarantee funding in future years. Results will not be released over the telephone.

Grant Disbursement

Grants will be paid by cheque in two instalments. The first instalment (75% of the awarded amount) will be conveyed following the notification of the awarded grant. The second instalment (up to 25% of the awarded amount) will be released subject to receipt of a satisfactory narrative and financial report. **This final instalment will not be paid until all required information has been received.**

Reporting Requirements

Approved applicants will receive a report form by email. The report is due to MAC by **February 1**. Late or incomplete reports can result in the suspension or forfeiture of the second grant instalment. Consideration for future grants is dependent upon the satisfactory completion of all outstanding reporting obligations.

Reports for funds awarded as of 2020 are to be submitted to MAC by email (helpdesk@artscouncil.mb.ca) or regular mail (525 - 93 Lombard Avenue, Winnipeg, MB, R3B 3B1).

Note: If you are reporting on funds awarded prior to 2020 through the Arts Branch of the Department of Sports, Culture, and Heritage, communicate with the Arts Branch (artsbranch@gov.mb.ca or 204-945-3847) to submit your report and receive your second instalment.
